HERNDON HIGH SCHOOL

1976 HORNET VOLUME 31

DAVE LAVERY, EDITOR
MR. D. REDRUP, ADVISOR

DEDICATION '76

The yearbook staff dedicates the 1976 HORNET to Mr. Fred Case. Students close to him know him as "Uncle Freddy," fellow faculty members know him as an experienced and effective educator.

Mr. Case has been involved in the production of many previous HORNET yearbooks and his leadership has reinforced and expanded the school's tradition of outstanding annuals.

Finally, it is impossible, in the space allotted, to numerate totally the contributions Mr. Case has made to the students, school, and yearbook in his many years at Herndon High School, but we can say "Thanks" and best wishes in the years ahead.

HERNDON'S 1975 HOMECOMING STARTED OFF ONE BRIGHT SATURDAY MORNING WITH THE TRADITIONAL PARADE THROUGH THE STREETS OF HERNDON. THE DAY WAS PERFECT FOR THE FOOTBALL GAME ALONG WITH THE LONG ANTICIPATED CROWNING OF THE HOMECOMING QUEEN, AND THE FANTASTIC PERFORMANCE GIVEN BY THE BAND AT THE HALF-TIME SHOW.

WHETHER IT BE SPORT, CLUBS, SCHOOL DANCES, INDIVIDUAL ENDEAVORS, GROUP EFFORTS OR WHATEVER ELSE OCCURS WITH THE "HERNDON HIGH EXPERIENCE", ALL EXIST AND SERVE ONLY ONE PURPOSE, TO ENCHANCE AND DEVELOP THE TOTAL SPIRIT AND CHARACTER OF THE INDIVIDUAL.

HERNDON LIES ABOUT 25 MILES WEST OF WASHINGTON, IN THE NORTHWEST PORTION OF FAIRFAX COUNTY. HERNDON BEGAN AS A RAILROAD DEPOT, PRIMARILY AS THE SUPPLIER OF NECESSITIES FOR FARM LIFE. HERNDON RECEIVED IT'S INCORPORATION IN 1879. THE TINY TOWN CONTINUES TO GROW, UNTIL IN VERY RECENT YEARS THE AGRICULTURAL COMMUNITY DECLINED BY THE CLOSING OF THE RAILROAD AND HERNDON BECOMING A COMMUTING TOWN.

HAPPINESS IS A CUTE GIRL TO KEEP YOU WARM ON A COLD FOOTBALL NIGHT.

SCHOOL ISN'T JUST A TIME FOR BOOKS AND WORRYING WHETHER YOU'VE MADE IT OR NOT.

THE ANTICIPATION OF WINNING A GAME, OR ALMOST WINNING, OR JUST THE EXCITEMENT OF SEEING YOUR FRIENDS.

IT'S ALSO A TIME FOR GETTING TOGETHER AT GAMES, PARTIES, AND JUST TO HAVE FUN.

WHAT IS SCHOOL LUNCH —
 — IN THE HIGH SCHOOL IT'S A TOOL FOR
 ASSERTING A NEW FOUND SOPHISTICATION:
 "I CAN'T EAT THIS SLOP."
 — IN THE FACULTY ROOM IT'S A WAIL:
 "IF I EAT IT I'LL GET FAT."
 — IN THE KITCHEN IT'S A WORRY: "WILL
 THEY LIKE IT TODAY?"
 — TO A BUSY MOTHER, IT'S A BLESSING.

SMILING BECKY HANKS RECEIVES LOOKS OF ADMIRATION FROM OTHERS BESIDES HER ESCORT, BUDDY ECKERT, AS SHE BEGINS HER REIGN AS HERNDON'S 1975 HOMECOMING QUEEN.

BY THESE WORDS A PEOPLE ESTABLISHED A NATION, MAINTAINED A REPUBLIC, AND DEMONSTRATED TO THE WORLD THAT MEN COULD GOVERN THEMSELVES . . . IN DIGNITY, HARMONY AND FREEDOM.

THE JUNIOR CLASS SPONSORED A MAGAZINE DRIVE THIS YEAR WHICH ENABLED THEM TO FINANCE THE '76 JUNIOR-SENIOR PROM, AND HAVE IT OFF CAMPUS.

THE MOST MEMORABLE HALFTIME SHOW OF THE FOOTBALL SEASON WAS THE HALLOWEEN SHOW, PRESENTED BY THE MARCHING BAND, MAJORETTES AND DRILL TEAM.

WE THE PEOPLE OF THE UNITED STATES, IN ORDER TO FORM A MORE PERFECT UNION, ESTABLISH JUSTICE, INSURE DOMESTIC TRANQUILITY, PROVIDE FOR THE COMMON DEFENSE, PROMOTE THE GENERAL WELFARE, AND SECURE THE BLESSINGS OF LIBERTY TO OURSELVES AND OUR POSTERITY, DO ORDAIN AND ESTABLISH THIS CONSTITUTION OF THE UNITED STATES OF AMERICA.

PREAMBLE TO THE CONSTITUTION OF THE UNITED STATES OF AMERICA

RESTORATION of SULLY

This restoration is to preserve and protect authentic old work.

Sully was built in 1794 by Richard Bland Lee, northern Virginia's first Congressman, and enlarged in 1799. It is being restored to its appearance between 1794 and 1842.

The restoration is being accomplished with funds provided by a bond referendum approved by the voters of Fairfax County in 1971 and is part of the historical program of the Fairfax County Park Authority. Tours and special programs continue to be an important function of this historic landmark.

IF YOU HAVE EVER ARRIVED AT HERNDON DURING LUNCH OR EVEN AFTER SCHOOL, YOU ARE AWARE THAT H.H.S. STUDENTS ENJOY LOUNGING IN THE GREAT OUTDOORS.

PEP RALLIES, DESIGNED TO RAISE SPIRIT, USUALLY SPRINKLED WITH ANTICS MADE UP BY THE CHEERLEADERS, ALWAYS LEAVE A WARM FEELING FOR THE STUDENTS.

FOURSCORE AND SEVEN YEARS AGO OUR FATHERS
BROUGHT FORTH ON THIS CONTINENT, A NEW NATION,
CONCEIVED IN LIBERTY, AND DEDICATED TO THE PROPOSITION
THAT ALL MEN ARE CREATED EQUAL.

LINCOLN'S GETTYSBURG ADDRESS

"C'MON CLOCK, CLICK!"

... THAT WE HERE HIGHLY RESOLVE
 THAT THESE DEAD SHALL NOT HAVE
 DIED IN VAIN — THAT THIS NATION,
 UNDER GOD, SHALL HAVE A NEW
 BIRTH OF FREEDOM — AND THAT
 GOVERNMENT OF THE PEOPLE, BY
 THE PEOPLE, FOR THE PEOPLE, SHALL
 NOT PERISH FROM THE EARTH.
 LINCOLN'S GETTYSBURG ADDRESS

THE STUDENTS OF HERNDON HIGH ARE ALWAYS CONFRONTED WITH A LARGE SELECTION OF ACTIVITIES. WHETHER IT IS ADMIRING THE "CLASS" OF THE AVERAGE SENIOR, TALKING WITH FRIENDS, OR JUST BEING A MEMBER OF HERNDON'S GIGANTIC MARCHING BAND, THEY ARE NEVER BORED. THEY ARE CONTINUALLY FACED WITH GOING INSANE, BUT NEVER BORED!

THE SENIOR DRESSDOWN DAY, ALWAYS A FAVORITE, HAD AN EXTRA ATTRACTION THIS YEAR, WITH SIX SENIORS, ALL VOLUNTEER FIREMEN FROM NAVY-VALE.

Basketball Homecoming

One of the highlights of the winter season is the Annual homecoming basketball game. Queen Shawn Douglas was crowned by well known DJ Stoney Richards. A celebration dance followed the victory over the Edison Eagles.

Redskin Rally

The Marching Band and Varsity Cheerleaders, along with many Herndon students, assembled at Dulles airport to honor the Redskins and wish them good luck before their departure for Texas to play the Dallas Cowboys. WMAL radio covered the event live.

MISS HERNDON HIGH SCHOOL PAGEANT

For the first time in the history of H.H.S. a Miss H.H.S. Beauty Contest was held. The contest idea was originated by the Fashion Merchandising classes, taught by Miss Hasket, who also had a fashion show during intermission.

The girls who entered were judged not only for their beauty, but for modeling quality, and poise. The 5 semi-finalists were each asked a question, based on history, current events, the future, etc . . . Mr. Crowley and Miss Dill acted as M.C.'s and a panel of judges from other Fairfax County Schools Fashion Merchandising classes picked the winner, Karen Rhodes.

PEP RALLIES ARE . . .

STIMULATING . . .

. . . HAIRY!

Homecoming

Each fall, Herndon students look forward to Homecoming. This year, Queen Becky Hanks reigned over her court, comprising of students from each class. John Thomas electrified the crowd when he returned a kick 60 yards for a touchdown.

Senior Dress Down Days

During the football season, when the homecoming game rolls around, the hallways are suddenly filled with everything from SCUBA divers to roller skating women in tight pants. No, it's not the overflow from the Herndon police jail, it's the students and teachers of H.H.S. celebrating the upcoming homecoming game by letting their imaginations run wild and dressing "down" during "spirit week".

The senior class has, in past years, used this week to dress up in groups as police squads, the mafia, clowns, lady football players, etc . . . But whatever the costume, whatever the mood, class tension is released as people settle in to prepare for the big game and parade.

Faculty Breakfast

After a busy first 9 weeks of school, the teachers and administrators began their two work days with a "faculty breakfast". Not only was it appetizing, but such things as a fashion show and door prizes were provided. The faculty seemed to genuinely enjoy the breakfast as it was repeated later this past year.

OUR TOWN

Herndon High School's fall production was "Our Town" by Thornton Wilder. This was the first production that Mr. Martino directed at Herndon. The show was a drama about life in a small town in the early 1900's. The cast and crew worked hard to create the special illusions of Wilder's imaginary town. The show proved to be an enjoyable and entertaining experience for audience and actors alike.

Halloween

All Hallow's Eve! The Night of the Great Pumpkin! There they are all 120 of them dressed as ghoulies, ghosts, witches, pumpkins, beer cans, trees, T.V. sets, clowns, and Indians to name a few. Music and movements were organized by individuals in the band. Among the bizarre attractions were a headless horseman and Snow Wimp with her Seven Twits.

TALENT SHOW

The Senior Talent Show, held in November, featured the talents of students from all classes. M.C.'ed by Tom Parker, the show had pianists, violinists, a variety of singers and dancers, a guitarist, and a good sampling of skits by members of the senior class.

The show was directed by Ellen Dare, produced by Steven Ray, and Senior class President Karen Smurda gave some organizational assistance to this "All-Student" production.

The Spanish Club Serves as a means for people who are interested in the Spanish language to get together, learn and experience the cultural customs of the Spanish speaking countries.

The club usually visits a Spanish restaurant, prepares their own Spanish dinner, makes Spanish artworks and learns about Latin American and Spanish foods.

IT'S ACADEMIC

A group of students are selected for their intellect and their oral ability to speak out in a group contest. Fifteen students are originally selected from the 10th and 11th grades and they go to a studio where they are quizzed for 45 minutes. The top six students are selected for the Varsity and Junior Varsity It's Academic teams. During the early part of the year, the six chosen students practice on certain days.

GERMAN CLUB

FRONT ROW: Chris Stem, Jacki Calbert, Megan Saxton, Dawn Caldwell BACK ROW: Yasmin Stem, Bessie Hoebel, Loretta Shafer, Vanessa Levy, Marlo Gripp, David Weinschel

The German Club's purpose is to explore the German culture, and traditions. The club proposed such things as a hike up Old Rag Mountain, going to German restaurants, going to the German Embassy, and cooking their own German food. The club also participated in the International Dinner with the other language clubs. They also plan to visit the German section of Busch Gardens. The German Club would like to say thanks to German teacher Mrs. Judy Young, who helped us through the year.

The Herndon Hornet Drill Team consists of thirty spirited girls who spend many hours of practicing to prepare half time programs for both football and basketball games. In addition, the team sometimes accompanies the Marching Band to parades and competitions, the girls enter both local and out of state competitions on their own.

Each spring there is a two week clinic prior to tryouts and during the summer many of the girls attend a drill team camp. Drill Team is a year round activity in which only the most dedicated girls survive . . . however, if you check with a Drill Team member, you'll discover this rigorous program is difficult and time-consuming, but fun!

Mr. Howard Stevens and Mrs. Judith Szymanski are the sponsors and have worked with the Drill Team since it first began in 1970.

Always there to cover the story when it happens, getting both sides of the argument, writing articles that are interesting to the readers; these are just a few of the many duties that keep the Stinger staff constantly busy. The staff works hard together to meet the newspaper's deadlines and when the finished product arrives in print, each person walks the halls distributing the Stinger for the nominal fee of only 15¢. The student body is brought up to date on the occurrences that have happened and the events that are to take place at Herndon High School.

Astronomy Club is open to all interested students in Herndon High School. It deals with the aspects of outer space, the solar systems, and other subjects pertaining to astronomy. Periodically the club holds observing sessions in which the members use telescopes and binoculars to look at the evening sky. Over the last few years, the club has observed a number of solar and lunar eclipses, meteor showers, and other objects that are in interstellar space.

In the past the Astronomy Club has been to the launch of the fourth manned moon mission-Apollo 14 — and Langley Research Center in Hampton, Va. We also take an active part with the help of our sponsor, Mr. Chandler, in teaching astronomy at the elementary school camps, Glenkirk and Highroad.

Service projects are the National Junior Honor Society's main concern. This year, the Honor Society started a Buddy System which has a member help a new student get acquainted with Herndon High School. The NJHS helped out with College Night, as it traditionally does, and for those students wishing extra help with their studies, a tutoring service was begun. Aside from providing services, the National Junior Honor Society also had a picnic at Sully Plantation, and will have an end-of-year picnic.

The International Relations Club (I.R.C.) prepares with research to meet with students from all over the United States, Puerto Rico, and Canada to consider resolutions solving major world problems. Differences are discussed in debates that are open, frank, and colorful. Students learn through parliamentary procedure to control expression. They role-play to reflect the diplomatic stances for the country, whose representatives they are portraying. It is a constantly exciting experience, and it broadens one's knowledge considerably. There are two major model United Nations which Herndon attends, they are the North American Invitational Model U.N. and the Fairfax Model U.N.

DISTRIBUTIVE EDUCATION

The Distributive Education program is that part of Vocational Education that is part-time in nature. This program represents the combination of classroom study and on-the-job training, each complementing the other. In the program, the students have their schedule arranged so they attend classes half of the school day and are employed in a retail or service capacity during the remaining part of the day. This program is a major step providing training for retail and service careers.

The Distributive Education program at Herndon High School has grown from eight students to the present enrollment of over two hundred students. When D.E. first started at Herndon, only one class period was allotted for D.E., now it has grown to eleven periods which include D.E. I, II, III, and Fashion Merchandising. D.E. is on the move at Herndon High School.

Constantly smiling, the Majorettes encouragement is always welcome as they help to create the school spirit which is so vital at our football and basketball games. Their routines require daily practice, and the results of their effort is shown by the spectacular half-time shows. Everyday the Majorettes can be found practicing during 6th period in the auditorium lobby with captain Becky Hanks lending professional encouragement. The squad displays superb talent as they create their routines around popular musical themes.

Each member of the Majorettes realizes that when she tries out for the squad, the oncoming year will be packed full of hard work, lots of time together, and plenty of fun. Herndon's Majorettes receive help from the H.H.S. Marching Band, and also from the spectators of every game for which they perform.

In looking back the Herndon High Majorettes of 1975-1976 will always fondly remember and cherish their twirling as one of the highlights of their high school years.

GENERAL CREW

The Herndon High Stage Crew is a Service performed by students with background in theatrical lighting, audio equipment and acoustics, set design and construction, electronics, and visual-audio equipment. Under the direction of Mr. Wild, sponsor, and Steven Ray, stage manager, the stage crew functions like an intergrated and well oiled piece of machinery, by combining their talents to give each person or group that used the auditorium a program that is not only pleasant to the eyes but to the ears as well. But they also are like a club, because they hold meetings most afternoons, and there is almost never a time when there is nothing going on.

Cambridge

The "Cambridge" or the "Grand Union" flag as it was commonly referred to, flew over patriots in Boston in 1776. It was comprised of a red and white striped field with a red, white and blue inset placed in the upper left hand corner.

History of Football

Joseph Strutt, historian of English sport, in 1801, wrote the following description:

... an equal number of competitors take the field and stand between two goals placed at a distance of 80 or 100 yards the one from the other. the Goal is usually made with two sticks driven into the ground about two or three feet apart. The ball, which is commonly made of a blown bladder and cased with leather, is delivered in the midst of the ground, and the object of each party is to drive it through the goal of their antagonists, which being achieved the game is won. ... When the exercise becomes exceedingly violent the players kick each others shins without the least ceremony and some of them are overthrown at the hazards of their limbs.

It wasn't until recent times, in the early 19th century that the restrictions against running with the ball were disregarded. A rugby player tucked the ball under his arm instead of kicking it. The act was severely censored but won favor with the fans. There were no rules for rugby or soccer until finally in 1863, the London Football Association was formed by clubs playing the kicking game. Rules drafted, carrying the ball was forbidden. Then, in 1871, rugby players from 17 clubs and three schools organized the Rugby Football Union and appointed a committee to draw up a code based on that in use at Rugby School.

Today, football has changed in many ways. The uniforms have changed, the rules have varied, and the injuries have lessened, but "the thrill of a victory, and the agony of defeat," still remains.

This year, the varsity basketball team gave to Herndon one of the most exciting year ever. At our final home game, against Washington and Lee for first place, the Hornets displayed their true superiority by playing an almost perfect game. The fans and cheerleaders were ecstatic as the Hornet won this game and won first place and a chance for regionals in this unforgettable game, and season.

History Of Basketball

In the early years, the number of players on a team varied according to the number in the class and the size of the playing surface. At Cornell University in 1892 Ed Hitchcock, Jr., the physical director, divided his class of 100, but the results were dismal since everyone converged upon the ball. In 1894 teams started to experiment with five on a side when the playing surface was less than 1,800 sq. ft (167.2 sq m); the number rose to seven when the gymnasium measured 3,600 sq ft, and back to nine when the playing areas exceeded that. In 1895 the number was occasionally set at five by mutual consent and, two years later, the rules stipulated five, and this number has remained.

Originally, players had the choice of three styles of uniforms: knee-length football trousers; jersey tights, as forerunners of today's uniforms, plus knee guards.

Today, the court size is about the same, there is the same number of players, five, but the uniforms have a little bit more style.

Long ago, wrestling was a martial skill taught to the knights of the Holy Roman empire, and the employment of fighting-arts teachers by feudal barons up until the time of the Thirty Years War (1618-48) resulted in the publication of numerous manuals in the early days of bookmaking, the most noteworthy of which are the Paul Kal holographic text of 1462 Albrecht Durer's FECHTBUCH (1512), WORSTEL-KONST by Nocolaes Petter (1674), and the PROGYMNAS-MATA by Sir Thomas Parkuns in 1713.

The era of the feudal wrestling teacher in Europe ended with the outbreak of the Thirty Years War in 1618, Exbroyan of Lyon, who died in 1868, is generally credited with reorganizing European loose wrestling into a sport, to which he gave the name Roman or Greco-Roman to imply the classical origin. Early bouts were held in Paris in 1845 with the weight-lifting exhibitions. The sport gained great popularity in Paris during the expositions of 1855 and 1867, and the wrestlers began popularizing the contest.

Today the wrestlers no longer bout for material rituals, but for district, regional, and state championships. We are very proud of this year's teams, and look forward to a good future.

CHEERLEADERS

Depending on the season, one might happen to see girls running around once or twice a week in red and white and even black uniforms, sitting on lockers or standing beside them putting up decorations that help boost the teams spirit and with those cakes and goodies, their waist lines.

These devoted young ladies are the Herndon Cheerleaders. This year, the girls have all had a very close and fulfilling cheerleading year which will be a never ending reminder of loyalty and hard work. It is quite obvious by observing other schools that Herndon has the prettiest most graceful, and best all around squads. Their dedication has been greatly appreciated by all and their enthusiasm has no doubt played a big part in the schools general spirit.

The perfect yearbook appeals equally to everyone in the school. The perfect yearbook contains what all the students want to see. The perfect yearbook reflects everything that happens to everyone in words and pictures. The perfect yearbook is impossible.

This yearbook is a miracle. The most surprising thing is the fact that the 1976 Hornet exists at all. In spite of the staff's constant attempts to bury it under tons of red tape, coke cans, and various other forms of garbage, the Hornet continued to emerge from our debris to plague us with thoughts of work. The Hornet even captured the brief attention of the student body with an article in the Stinger, and repeated announcements saying, "This is your very last chance to buy your yearbook . . ."

Adding to the mayhem, Mr. Redrup, our advisor, plus 95% of the staff, were newcomers this year. Last year's Hornet staff was survived only by Laura Heck, Gray Wells, and myself. Other than ourselves, nobody knew anything about yearbook production at the beginning of the year. To be honest WE didn't know too much either. Thus, we started with a large number of goals and a small amount of experience.

We knew that the yearbook belonged to the students, and that we should print what the students wanted to read. We also realized that the Hornet should be much more than just a very expensive Senior Memory Book. Instead, we wanted it to portray Herndon as it is to the classes yet to graduate, as well as to remind the Class of 76 of Herndon as it was.

With all these things in mind we sat down and began to create.

You now have before you the final product of our creations, our frustrations, our pride. Our impressions of Herndon in 1976 may not be the same as yours. However, we feel that this yearbook is successful at portraying the Students of Herndon High School of 1976 as they are: their school, their games, their friends, and their lives.

In The Middle: The Editor

Vantage Point: The Advisor

Completing my first term as YEARBOOK ADVISOR there are many aspects of composing a HIGH SCHOOL ANNUAL that I could reflect on, but brevity is appropriate in this instance and in order to be brief I will limit my remarks to only those that are positive.

This year has in many respects been a transition period for the HORNET, consequently it was a difficult one. Nevertheless — the transition was successful and this VERY FINE 1976 VERSION OF THE HORNET bears this out. Ahead is the opportunity to further ORGANIZE, HONE, and REFINE the tradition of excellent yearbooks previously established at H.H.S. and I am committed to insuring that the tradition continues to flourish during my tenure as ADVISOR.

A yearbook is an effort of proportions seldom comprehended by most students. It involves excellent organization, a large sum of money, long hours, an evolution period of about 8 months, continuous planning, dedicated staff workers, constant revisions and adjustments, painful decisions, mounting frustrations, knowledgeable staff editors and finally that person on whom the burden bears so heavily, the editor-in-chief. Knowing full well that this kind of effort was made this year, it follows — that the book is a fine one. My hat is off to the entire staff for a job well done. In particular it is off to a very knowledgeable, responsible and dedicated young man who weathered all the turmoil and pressures of being HORNET '76's editor-in-chief. The fellow — Dave Lavery — and he did in fact have a lot to do with the excellence of HORNET '76.

Finally, this year's annual is not all it might be, but no yearbook ever is. By any standards it is a fine collection of memories for the 1975-76 school year at H.H.S. and believe me — I know — for my role was in fact advisor and ADVISE I DID.

Yearbook Staff

The "Hornet" is a record of events throughout the year here at Herndon High School. This years staff has worked long, hard hours in hopes of putting together an original, interesting yearbook, and we hope that as you look through the book that it will bring back many happy memories of the past year.
